Council Commend Collieries Action

Coleman Collieries were commended by Coleman town council at the regular meeting Tuesday night, June 17th, for the good work the Collieries did in dredging out a stream in West Coleman and thereby reducing the water level in the channel by several feet.

The Collieries had one of their large D9 tractors dredge the channel in the mine property and then proceeded on town property and cleared the channel of debris so that the high waters were carried away without damage to property.

It was suggested that a small dam be built upstream from some of the culverts in the channel and that a plywood flood gate be installed and when enough water has backed up behind the plywood gate it would be opened to flush out the culverts with a heavy flow of water. An alternate suggestion was to have the fire brigade flush out the culverts with high pressure hoses. A letter of appreciation for the work done by the Collieries is to be sent to Eugene Fabro, mine superintendent.

Councillor Joe Hanrahan, representing the town of Coleman on the Crestview Lodge board of directors, advised that the board was planning on having the Lodge grounds landscaped.

Lacombe Nurseries were invited to visit the Lodge and bid on the project and an estimate given indicated the work would cost over \$1,000.

In order to raise funds for this project it was suggested that each member report back to their individual councils and request they consider upping the tribute by not over one-half a mail to raise the necessary funds.

Coleman council approved this suggestion. Councillor Hanrahan tendered his resignation to be effective as of the last meeting in July.

Councillor Ted Kryczka reported that he had met with school trustees James Park and William Skura, and that a temporary schedule for the use of the school recreation grounds by various groups has been drawn up. On suggestion of Councillor Mel Cornett, playground signs will be erected in this area instead of the present school zone signs. Similar signs will also be installed at other town playgrounds.

Considerable discussion was held on the "No Loitering" signs that have been installed in the town park area as misinterpretation of the signs is being made by vari-

Special Meeting for Livestock By-Law

Ratepayers of East Coleman, Blairmore Road and Grafton town districts attended a special meeting Sunday afternoon held in the Polish hall to discuss a proposed by-law prohibiting the harboring of livestock in the residential district.

A vote had recently been taken regarding the implementation of some form of by-law governing the harboring of livestock in the residential district and the balloting indicated 32 favored the by law and 19 were against.

After discussion on the matter it was decided that the committee in charge draft a bylaw and present it to the ratepayers for approval or rejection at a later date.

Mrs. Ophia Dwyer Passed Away

Funeral services were held in the Baptist Church Pincher Creek June 30, for Mrs. Ophia Dwyer of Cowley. Reverend Leslie Funk officiated and in testament was made in the family plot at Fairview Cemetery. Halls Funeral Services Limited was in charge.

Mrs. Dwyer died in the Wil low Valley Auxiliary Hospital in Claresholm on June 27, where she had been a resident since last July.

Mrs. Dwyer, 79, was born in Ozark, Missouri on Sept. 27, 1886 and married her late husband George at Ozark on July 3, 1906. The family came to Cowley Sept. 12 1909 and after farming there moved to the Three Hills and Trochu district to ranch in 1918. They returned to Cowley in 1930 and resided here since. She was predeceased by her husband George on April 1958.

Surviving are one daughter Mrs. John (Dorothy) MacQuarrie of Coleman; five sons Charles of Cowley, Tom and Arthur of Pincher Creek; and Oren and Willard (Bill) of Lundbreck; 18 grandchildren, 4 great grandchildren, and three brothers Arthur Thomas of Calgary and Ralph and Albert Thomas in Ozark, Missouri.

Truck Crashes Into Bartoletti Home

Mr. and Mrs. Joe Bartoletti were suddenly awakened by a tremendous crash at 6:10 a.m. Friday, June 25th when a big driverless truck crashed into their home.

Trucker Bill Sulz had used the big truck to pull another unit to get it started. Sulz and his assistant were working under the other truck when Sulz looked around and saw the truck he had parked, running away. He stated that he had applied the emergency brake on the runaway unit.

The truck, pointing in a southerly direction, ran away from Shirley's garage, crossed highway 3 and proceeded down a fairly steep grade for about 200 yards, smashing into the Bartoletti residence.

Extensive damage was done to the house and the kitchen area of the home. The bedroom where Mr. and Mrs. Bartoletti were sleeping is on the other corner of the home.

Mrs. Bartoletti usually rises at 6:15 a.m. to make breakfast. The truck is owned by Shirley's Trucking, which firm has a garage on the north side of the highway 3 at the east end of Coleman.

"Andy" Buckna Passes June 24

Requiem High Mass was celebrated in the Holy Ghost Catholic Church at 10:30 a.m. Monday, June 24th for Andrew Buckna, well-known Coleman resident.

Rev. Walter Krewsky officiated and Mass was made in the family plot in the Catholic cemetery. Hall's Funeral Services Ltd. was in charge. Prayers were said in the Blairmore Chapel of the Funeral Home at 9 p.m. Sunday.

Mr. Buckna passed away at his home at noon on Thursday, June 24th, while the remainder of the family were in Lethbridge attending the funeral of Mr. Buckna's daughter, Mrs. Tillie Volondorf of that city.

Born March 1st, 1881, in Niseno, Czechoslovakia, Mr. Buckna was 84 years of age at the time of his passing.

He came to Canada in 1900, settling in Fernie, B. C., where he married the former, the late Mary Lehotsky, on February 23, 1903. In 1905 he moved to Coleman and worked in the mines until he was injured in a mine accident in 1939, necessitating his retirement. He was the eldest and one of the first members of the First Catholic Slovak Society of Coleman, the Catholic Church and a member of the UMWA.

He was predeceased by his wife Mary on May 9, 1954, and by a daughter, Mrs. Tillie Volondorf on June 22, 1955.

Surviving are five sons, Alex of Cowley, Andy of Coleman, John of Blairmore, Henry of Creston, B. C. and Frank in Pendleton, B. C.; six daughters, Mrs. Mary McWilliams of Bragg Creek, Mrs. Ann Monckman of Okotoks, Mrs. Helen Frederickson of Pendleton, Mrs. Ethel McNeil of Trail, B.C., Pauline Leckack of Coleman, and Mrs. G. N. (Elsie) Milnes of Vancouver. There are 15 grandchildren and six great grandchildren.

Sewerage By-law Discussed

Coleman council at its utility meeting Monday evening discussed some of the regulations that are being prepared for the town's sewerage by-law.

It was agreed at the meeting that those residents of Coleman who do not hook onto the sewerage facilities now will only have the opportunity to do so once or twice during the year.

Council will accept the names of those who later wish to hook onto this service and when a desired number of names is received a contractor will be hired to bring in equipment to do the necessary work of hooking homes onto the system.

This action is being taken by the council to avoid the unnecessary expense of bringing in a contractor every time an individual expresses a wish to hook onto the sewerage system.

Oldtimers Celebrate Birthdays

Mr. and Mrs. Jack Rogers had as their guests over the Father's Day week-end Mr. and Mrs. Don Gilmour (nee Margaret Picard) of Toronto, Ont., who were recently married in Toronto.

Mrs. Gilmour, who is a niece of Mr. and Mrs. Rogers, had the unique experience while here, in taking part in celebrating the birthdays of her grandfathers, Mr. Ed Picard of Blairmore, who will be 90 years of age on July 2nd, and Mr. Dave Gillespie of Coleman, who will be 91 years of age on July 4th.

Mr. and Mrs. Gilmour visited with friends in Coleman, Blairmore Lethbridge and Calgary, then left for Vancouver, where they will visit with Mrs. Gilmour's parents, Mr. and Mrs. Laurent Picard, formerly of Coleman and Blairmore.

Plans Well Underway For Colemanites Re-Union

Judging by the plans that are being prepared by Coleman organizations the Colemanite Reunion, scheduled for July 9, 10 and 11, will be a big success.

To date plans call for registration of visitors to be made all day Friday, July 9 in the Elks hall, where the guests will be treated to coffee and light lunch on their arrival. An information booth will be set up in the Elks hall where Coleman old-timers will provide information on events to be held for the reunion as well as other items pertaining to Coleman during the past years. On Friday evening a bingo night will be held in the arena to be followed by a get-together in the Elks hall.

Saturday afternoon will be devoted to sight-seeing tours, and buses for this event are being provided. A banquet will be held in the Elks hall on Saturday evening to be catered to by four Coleman ladies' organizations. After the supper a bingo for \$50 cash and other prizes will be held to be followed by a dance in the arena.

Sunday schedule calls for church services during the morning, after which a picnic will be held in the afternoon with entertainment to be provided during the event. Place of the picnic has not yet been arranged.

The committee in charge have requested that persons wishing tickets for the Saturday banquet, bingo and dance should contact to

purchase these by July 1 in order that the caterers can provide enough settings for the banquet.

Tickets for this event can be obtained from Holyk's, Zak's, Sentinel Motors, Kananaskis Service Station, Satellite Cafe, Kropinak's, Vets' Enterprise, Salus' West End Store and Connie Michalsky.

It is expected that over 500 former Coleman residents will attend the affair from such centres as Vancouver, Victoria, Creston, Cranbrook, Edmonton, Calgary, Lethbridge and many United States points.

Last year the occasion was held in Vancouver when over 500 persons attended the Crows Nest Pass night.

Former Coleman residents, Mrs. Steve Smider and Mrs. J. Kapaka, who are organizing the Cavalcade in the Vancouver area, have advised they feel that over 125 from the Vancouver area alone will attend the week-end reunion.

The committee has advised that any money made from the reunion will be donated to a charitable organization.

Persons wishing more information on the events should write to or contact either Bob Zak or Norman Hammer of Coleman.

P. Meroniuk New Union President

Pete Meroniuk was elected as president of the Coleman Local of the United Mine Workers of America Tuesday.

Mr. Meroniuk drew a total of 202 votes to defeat the former president George Jenkins who drew 168 votes. There were three spoiled ballots Mr. Jenkins had been president for four years.

William Skura was re-elected by acclamation to the position of vice-president and John Ramsey was returned by acclamation to the office of secretary-treasurer.

The Vicary Creek Committee also returned by acclamation comprises of William Skura and John Sanyshyn and George Jenkins will again take over as Union representative on the International and Trucker committee. All offices are filled for two year terms.

Letter to the Public

From the Merchants of Coleman.
June 23, 1965.

At a meeting of the Coleman merchants tonight it was unanimously agreed to stay closed every Monday from now on (except when a holiday falls on the Tuesday of the week). This is to keep the hours of labour to the 40 hour mark, as set out by the Alberta Labour Act No. 1, 1965.

This of course does not apply to the week of Christmas, when extra hours of business have always been established. This now gives the store staffs of all Coleman stores 40 hours of work every week and 8 paid statutory holidays every year, as laid out in the new labour act.

We feel this puts their hours in line with any other labour group in Canada.

Chairman of the Meeting.

Bellevue Teacher Dies At Age 54

A well known Blairmore School teacher William Marcolin died suddenly at his Bellevue home Friday, June 25th.

Mr. Marcolin, 54, was born in Bellevue where he attended both public and B. Ed degree at the University of Alberta and then taught school in Bellevue.

He was vice-principal at Bellevue for a number of years and then took over as principal. After the formation of the Crownstee Consolidated School District in 1960 he accepted the position of principal of the Isabelle Sellsen junior senior high school in Blairmore, a position he retained at the time of his death.

He served with the RCAF during the Second World War and served overseas. He was a member of the Alberta Teachers Association, the Bellevue United Church and the Masonic Lodge.

He is survived by his wife Helen at Bellevue; two daughters, Belle, attending university in Edmonton and Mary, teaching school in Edmonton; his parents, Mr. and Mrs. V. Marcolin of Bellevue; two brothers, Albert in Montreal and Hugo in Ottawa; and two sisters, Mrs. Kathy Raymond of Coleman and Mrs. Eda Battel in Vancouver.

Largely attended funeral services were held Tuesday and interment was made in the Masonic section of the Hillcrest Cemetery. Rev. K. Iwasawa officiated at the services and Hall's Funeral Services Ltd. was in charge.

Mental illness seldom kills, but it cripples more people than all the well known physical diseases put together. But hope for the mentally ill is now higher than it has ever been. John Horbachuk Passes Suddenly June 17th

John Horbachuk of Coleman died suddenly Thursday, June 17, 1965, after a lengthy illness at the age of 75 years.

Mr. Horbachuk was born in Belorussia, U.S.S.R., August 29, 1890. He came to Canada in 1926, settling in the Cranbrook and Moyie, B. C., districts, where he worked for the CPR.

In 1928 he came to Coleman and worked in the McGillivray mine until it closed in 1953. He was a member of the UMWA and of the Federation of Russian Canadians. He served in the Russian army in the First World War.

He was predeceased by his wife Natalie in Coleman in November of 1962, and by a daughter Maria in Poland in 1959.

Survivors include one son Nick of Coleman; two daughters, Mrs. M. (Vera) Holmes of Dawson Creek, B. C., and Mrs. K. (Olga) Hafacze of Great Falls, Mont.; and six grandchildren.

Funeral services were held from Fantin's Hillside Chapel by Peter Walker at 2 p.m. Saturday, June 18. Interment was in the family plot, Union cemetery.

Fantin's Hillside Chapel was in charge of arrangements.

Nursing Aides Hold Bar-B-Q

A barbecue supper was the feature item at the Certified Nursing Aides' monthly meeting, held at the home of Mrs. Dorothy McQuarrie on June 18.

During the evening reports indicated that the recent bake sale, sponsored by the Aides, had been a very successful event and thanks to all who supported or contributed to the event was moved.

The oil painting drawn for was won by Gerald Coccolone of Coleman. Proceeds from the draw and bake sale are to be used by the Aides for their various projects and work.

After the barbecue a generous lunch was sent to the staff on duty at the Crows Nest Pass Municipal Hospital.

Cables Plant Hires First Man

George Smith of Blairmore, is the first person hired by Phillips Cables (Western) Limited at the new plant located at Sentinel.

Mr. Smith took over duties as millwright last week. Training of personnel for the new industry will begin in early July and production is expected to start in early September with approximately 30 persons employed.

When full output at the plant is realized later in the fall, approximately 75 persons will be employed on three shifts.

SPORT HIGHLIGHTS

BASEBALL—

The Coleman Juvenile Baseball Club met the Pincher Creek Juniors on Friday, June 11th. The Coleman club proved their ability by taking the five inning game with the score of 14 to 5.

Top batter for Pincher Creek was Swatcliffe with three for three. The losing pitcher was Ken McClain.

Top batters for Coleman were Joe Aiello and Wally Binda. Both boys went to bat four times and got four hits. Mike Stelmahovich was the winning pitcher.

The Coleman club is not in the league but they are going into the playoffs.

For you baseball fans who are wondering why there are no games in Coleman, this is the reason and I quote the coach "The Sports As-

sociation needs another backstop so that the club can fix and keep up the new field without bothering other clubs' practices. Another backstop would have another purpose also, that would be that two teams could practice at once. By having these extra practices it would give the club a better chance in the playoffs. The sport of baseball is dying off in the Pass so I am asking the people to help in any way possible."

They will start their playoffs this Sunday July 4th in Granum with a double header. The Granum Club will return to Coleman for a double header on July 11th. Game time for both the 4th and 11th will be 2 p.m. and 5 p.m.

Little Time Left For Deferment Minimum Wage Under Code

Employers who are affected by the new Canada Labor (Standards) Code and who intend to seek deferment of the minimum wage standard should make an application to the Department of Labor as soon as possible, the Minister of Labor, the Hon. Allan J. MacEachen, said today.

Mr. MacEachen pointed out that the main provisions of the Code go into effect on July 1st, and after that date no deferment of the new minimum wage rate is possible.

From July 1st, in all undertakings under federal jurisdiction, the minimum wage will be \$1.25 per hour for all employees 17 years of age or over, the standard work week will be 40 hours with a maximum of 8 hours overtime and employees will be entitled to two

weeks annual paid vacation and 9 general holidays a year with pay.

The Code provides, however, that the Minister may authorize deferment of the wage and working hours provision if it can be shown to his satisfaction that their immediate introduction would prejudice the interests of the employees or would seriously impair the operation of the business or undertaking.

The minimum wage may be deferred only in undertakings that operate solely in a local area, and the deferment application must be received before July 1st. Once the minimum wage rate is in effect it cannot be deferred or suspended.

The hours of work provisions can also be deferred in any undertaking regardless of the scope of its operations if application is received before July 1st and they may also be suspended by order at a later date. Such suspension cannot be made retroactive so that in order to obtain a deferment where there are adequate reasons for it as from July 1st, it will be necessary to make a request for deferment before that date.

The Minister warned that there is little time left before July 1st to submit applications and he urged employers and employees to act immediately if they intend to request a deferment.

T. M. ROBERTSON,
Manager.

What is this 'double standard' we've been hearing about? Well, as applied to sickness, it means that the mentally ill are still 'second class citizens' as compared to the physically ill. NOTICE

A Special Committee on Administrative Boards and Tribunals has been established by the Lieutenant-Governor-in-Council to study, and receive representations and recommendations, on the following matters:

1. A thorough survey and consideration of the Alberta legislation conferring jurisdiction or power on administrative boards and tribunals and the functions and powers exercised by them.
2. Whether such boards and tribunals infringe on the rights of individual citizens and if so, in what way and to what extent.
3. Whether there should be a greater provision for appeals to the courts from the decisions of such boards and tribunals.
4. Whether such boards and tribunals have a practical value in adjudicating matters without involving individual citizens in costly and time-consuming court procedures and whether the public interest is thereby served and if so in what way and to what extent.
5. Whether there is need for a tribunal to which aggrieved individuals could have resort for the purpose of having decisions or actions by regulatory boards and tribunals and departments and agencies of the Government, investigated and reviewed, and if there is such a need, what form of tribunal would be best suited for that purpose and what powers should it be given.

The Committee invites all persons, Companies and Associations who are interested in the above matters or any of them to file with its undersigned Secretary in writing not later than September 18th, 1965, their representations, recommendations and submissions. Following that date the Committee will announce the dates and places of public meetings at which the submissions will be heard and discussed.

Secretary of the Committee,
Room 320 Legislative Building,
Edmonton, Alberta.

PROVINCE OF ALBERTA.

Anglican And United Church Study Union

TORONTO—After years of talk and little apparent action, the Anglican and United Churches have produced a document which forecasts "one organizational structure" for the two communions.

The document entitled,—"The Principles of Union Between The Anglican Church of Canada and the United Church of Canada" is the work of two Committees of the parent organizations, and will be presented to the General Synod of The Anglican Church which meets in Vancouver in August of this year, and the General Council of the United Church which will meet in Waterloo, Ont., in September of 1965.

The report begins by announcing that the two Committees have reached "full and unanimous agreement" on the principles of faith and order, and on the principles that should govern union. It points out that if the two churches are agreed in principle, there is nothing to prevent them from coming together in fact. The report concludes with a recommendation that "the two churches enter into a solemn and formal commitment to proceed immediately to prepare concrete and detailed plans for organizational union."

Spokesmen for the two churches here hailed the report as a major breakthrough in the long struggle to bring the two communions together. They spoke with pride and gratification about the thoroughness of the report and the precise phraseology used in spelling out the principles upon which such a plan must be built.

They pointed to the following paragraph as one of the main keys to the breakthrough that has been achieved. "We are united in our intention to bring into being, not a merger of two existing ecclesiastical bodies, but rather a new embodiment of the One Church of God. It is our intention not to cre-

ate a new church, but rather to seek a new visible expression in structure, in worship, in life and witness, for the Oneness of the Church which already exists."

Government

The government of the new Church will combine both the episcopal and the conciliar systems. Both corporate and personal ministries will be exercised in it. "And the bishops, the presbyters and deacons, and the congregations of the faithful shall have their place," states the report. As is the case in the present church governments, the congregation, session, synod, provincial or regional assembly, and general council are to be the governing bodies.

The first concern, notes the preface, "was to find a basis in faith and order upon which the two churches could come together. Following that, some attempt was made to sketch in the main outlines of the church of the future, its ministry, sacraments and organization. A series of two-day meetings of the Committees of Ten resulted in an amazing consensus—at the final meeting on March 30, 1965, a unanimous agreement on this document was reached."

Some idea of the optimism felt by the members of the joint committee is conveyed in the final paragraph of the preface. "This document is intended to provide a sufficient basis for the two churches to set about preparing concrete and detailed plans under the direction of the recommended commissions."

"We commend it to all with the thought that God may use it to further His purpose that all may be one in Christ."

Traffic Accidents Month Of May

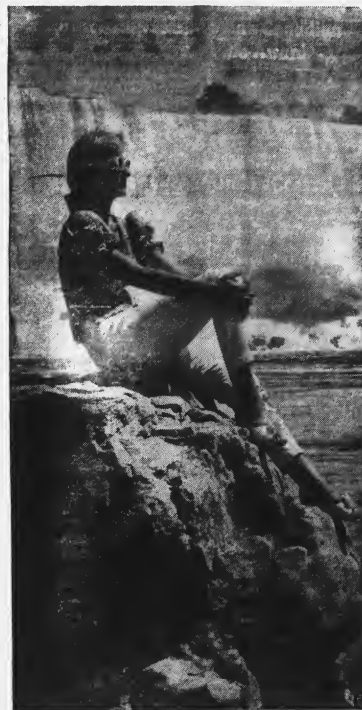

May was the first month of summer, when more people were travelling on the highways.

During the month there was one fatality and 43 persons injured resulting from 31 traffic accidents. The remaining 39 were property damage accidents causing \$29,626 vehicle destruction.

The total for May was 70 traffic accidents. On the brighter side it is felt that traffic accidents are gradually on the decrease.

It would like to mention seat belts as they are a good safety device. Safety belts are not intended to prevent accidents, but they do reduce injuries. The Canadian Highway Safety Council report that injuries in cars without seat belts were almost double those of cars in which seat belts were in use. Seat belts do prevent passengers or drivers from being thrown out of the vehicle or through the windshield on impact.

Most manufacturers equip their vehicles with seat belts as standard equipment. However, seat belts will do no good unless they are used. It is up to the driver to insist that his passengers wear the seat belts that are provided. It is one way to reduce injuries.

NIAGARA SCENERY — The majesty of Niagara Falls provides a dramatic setting for this pretty visitor who appears to be deep in thought, perhaps meditating on the forces of Nature which created the cataracts. The falls are tens of thousands years old.

I wish to express my appreciation for the wonderful response that has been given by the public in the past. Without your support no safety program can succeed.

Month of May—

Fatal accidents, 1; injury accidents, 30; property damage, 39—for a total of 70.

Persons injured, 43; prosecutions from accidents, 14; property damage, estimated, \$29,626.

Shortage Of Labor Is Expected

Mr. Terry Robertson, manager of the National Employment office in Blairmore, reports the general employment outlook for the area is good but a shortage of labor is expected.

An appeal to employers on behalf of high school students to line up summer work for students soon to leave their classrooms was made by Mr. Robertson.

The N.E.S. is doing everything possible to find summer jobs for these eager young people but with more student applicants enrolled

at our National Employment offices the task is a very great one. In many cases the students need money in order to return and finish their high school course or go on to university.

But just as important as the money is the need for these young people to gain experience in the world of work. Summer employment will make the student worker more valuable to an employer upon graduation. Exposure to job discipline on the demands of the employment market in our highly competitive times provides knowledge which can't be learned in the classroom.

It has been wisely said that of all the resources needed for the nation's economic well-being and advancement, its human resources require the longest lead-time to become effective. It takes twenty or more years for a child to grow into a mature and useful adult and a competent member of the labor force.

The student is our most valuable resource and the employer has the opportunity to take part in the moulding of this citizen of tomorrow.

ALBERTA SECURITIES COMMISSION

... protection for Alberta's investors

Canada's economic development has led to a marked increase in financial offerings of stocks, bonds, shares and debentures—particularly in Alberta where there has been a substantial increase in local issues. Protection of investors in Alberta is provided by the Attorney General's Department through the Alberta Securities Commission.

All firms offering shares must first file a prospectus with this Commission, and a copy of the prospectus must be delivered to every buyer before completion of the purchase. The Commission ensures the prospectus makes full, plain and true disclosure with regard to the company, its officers, financial status and the nature of the security offered.

Another function of the Securities Commission is to guard against fraud connected with the sale and distribution of shares. It has an overall supervision of firms and individuals selling shares and debentures. Every broker, investment dealer, broker-dealer, security issuer and their sales representatives must be approved and registered with the Alberta Securities Commission before legally engaging in business.

The Commission has, and exercises, wide investigation powers and is continually conducting audits and investigating complaints lodged with it by the public. In national and international fields the Alberta Securities Commission works in close cooperation with similar commissions in other provinces of Canada and the Securities Exchange Commission in the United States.

The Alberta Securities Commission also administers The Investment Contracts Act, The Mortgage Brokers Act, The Cemeteries Act where applicable to commercial cemeteries, The Prearranged Funeral Services Act and The Deposits Regulations Act.

Alberta is a good province in which to invest money—The Alberta Securities Commission helps keep it that way.

VIEWING HIGHLIGHTS FOR THE COMING WEEK

July 3rd - 9th

An interesting variety of sporting attractions highlights the week end schedule on CBC television networks.

After a week's absence, the regular Major League Championship returns Saturday at 1 p.m. in Manitoba; 12 noon in Saskatchewan, and 11 a.m. in Alberta.

The floundering New York Yankees, who've had nothing but trouble so far this season, take on the Boston Red Sox.

Sunday afternoon at 2 p.m. World of Sports will feature excerpts from this year's European Cup soccer championship played May 19 between West Ham United and Munich. Outstanding players in the match played before 100,000 fans in Wembley Stadium were Munich's Grosser and Rebelle and West Ham's Moore, Kirkup and Peters.

The European Cup highlights will be followed at 3 p.m. by a film of the Canadian Track and Field Championships held June 25th and 26th at Seaway Park, St. Lambert, Quebec. Some of Canada's outstanding athletes are expected to compete. They include Olympic bronze medalist Harry Jerome the excellent Vancouver sprinter and half-miler Bill Crothers, who recently beat New Zealand's Peter Snell.

Sunday at 10 p.m. in a Report from Moscow, CBC correspondent, David Levy will report on the everyday life in the planned society of the Soviet capital.

There will be an interview with three generations of one Moscow family: visits to a Russian public school where Levy's son is a pupil; a young people's night club; a construction site and the Palace of Pioneers. Also included will be film from the May Day Parade

and the Victory Parade in Moscow's Red Square.

The very highly regarded documentary series, The Great War, will be seen twice this week -- Tuesday and Friday evenings at 9 o'clock. The Tuesday episode considers the period between June 28 and August 14, 1914, just prior to the British declaration of war. It tells how European diplomacy failed when it met the sternest test and how treaties and understandings designed to strengthen peace led inevitably to war.

In Friday's episode The Great War covers Germany's attack on Serbia, the rape of Belgium and the effect and attitude of these aggressions on the United States. The French attack Germany with outmoded ideas and weapons and suffer appalling losses. The British land at Boulogne and advance into a trap.

The CBC television program which won the 'Wilderness Award' for 1964, will be screened once again Wednesday, July 6 at 9:30 p.m. Entitled The Thirties -- A Glimpse of a Decade, the program traces the ten grave years of the depression in Canada and the United States from the Wall Street crash in 1929 to the start of the Second World War.

The Wilderness Award, instituted in 1963, is given to the best documentary film produced each year by the CBC. It is a memorial to the CBC film crew, three members who lost their lives while on a project in the wilderness of northern Alberta.

Sedgwick - Baruta Nuptials Observed On June 12th

The Holy Ghost Catholic Church, Coleman, was the scene of a pretty wedding on June 12th at 2 p.m. when Mary Magdalen, the eldest daughter of Mr. and Mrs. Frank Baruta, became the bride of Mr. George Edward Sedgwick, eldest son of Mr. and Mrs. John Sedgwick of Duval, Sask. Officiating at the wedding ceremony was Rev. Father Walker Krowczyk.

The bride was given in marriage by her father. For the wedding the bride chose a sheath floor length gown of chiffon over satin, busse back effect; the skirt was embellished with lace appliques, trimmed with pearls; sweetheart neckline blouse and lily-point sleeves. Her headress a bouffant elbow-length veil which was held in place by a rhinestone tiara.

She carried a bouquet of red roses and white stephanotis. Her only jewelry was a beautiful cultured pearl necklace which was a gift from the groom.

Attending the bride was her sister, Miss Sophie Ann Baruta as maid of honor, who wore a rose-colored taffeta ballerina-length bell shaped skirt and fitted bodice. Her bridesmaid, Miss Shirley Sedgwick (sister of the groom) wore a yellow taffeta dress of identical styling, and each carried bouquets of pink carnations.

For her daughter's wedding Mrs. Baruta chose a two-piece blue brocade ensemble with white accessories, and a corsage of red roses. Mrs. Sedgwick, mother of the groom, donned a blue lace sheath with matching bolero, white accessories and a corsage of red roses.

The groom was attended by his brother, Mr. Leslie Sedgwick and Mr. Douglas Fenion, of Edmonton.

Acting as usher was Constable Frank Baruta of White Rock, B. C. Mr. J. Rejman presided at the organ. Soloists were Mrs. Betty Szymank and Mrs. Wanda Proc. A supper and reception were

held in the Catholic hall.

Constable Frank Baruta acted as master of ceremonies. The bride's table was centred with a beautiful decorated wedding cake. Rev. Father Krowczyk proposed the toast to the bride, responded to by the groom.

Following the reception the happy couple left for a trip to California. For travelling the bride chose a two-piece walking suit of nylon over pink flowered taffeta with white accessories. On their return they will reside at: Dawson Creek, B. C.

Out of town guests were Mrs. D. Amott of Strathburg, Sask., the grandmother of the groom; Mr. and Mrs. John Hvizdos of Bellevue, grandparents of the bride; Mr. and Mrs. A. Faucher of Port Couillard, B. C.; Mr. and Mrs. Frank Baruta and son of White Rock, B. C.; Mr. and Mrs. J. Faucher of Fernie, B. C.; Mrs. S. Popson and son Stanley, of Leithbridge; Mr. and Mrs. J. Hvizdos, Jr. of Bellevue.

Attending from Calgary were Miss Irene Hatalek, Mr. and Mrs. T. Washington, Mr. and Mrs. J. Baruta, Mr. and Mrs. G. Hvizdos, Mr. and Mrs. J. Kovack and Mr. and Mrs. R. Brown.

Calgary Power Program Wins National Award

A national Award of Excellence has been won by the Alberta Junior Citizen of the Year program, sponsored by the province's electrical utilities with the co-operation of weekly newspaper editors.

The award was presented by the national president of the Canadian Public Relations Society in acknowledgement of the public service value of the Junior Citizen program, which is actively supported by this newspaper.

The Alberta Junior Citizen of the Year program gives deserved recognition each year to young Albertans who perform outstanding acts of courage or merit.

The young people receive their awards at the Annual Alberta Weekly Newspaper Assn. convention.

Nominations are now being accepted for the 1965 Alberta Junior Citizen of the Year award.

Readers who know of deserving young Albertans from six to 16 years of age are invited to contact the editor of this newspaper.

K. of C.'s Elect New Officers

St. Joseph the Worker Council held their quarterly Communion Breakfast in the Bellevue Catholic hall, Sunday, June 20th after the 10 a.m. Mass.

Very Rev. Dean Tessier gave an enlightening talk on some of the changes in the Liturgy, mentioning particularly the simultaneous offering of the Mass by several priests. Ladies of the Bellevue-Hillcrest C.W.L. served the breakfast.

At the evening meeting Grand Knight John Binda, of Coleman, gave a short report on the recent state convention in Calgary.

He said that the convention had allotted \$1500 to campaign against the distribution of obscene literature on the news- and book-stands. Father Cromer of Cowley and Twin Butte, spoke on the menace to pornography to our children and young people. Paper back books, indecent films and filthy reading matter sent through the mails are

taking a terrific toll among the youth of all nations, leading to crime and an always increasing cost of crime control.

Retiring Grand Knight John Binda conducted the election of officers for the ensuing 12 months. New officers are:

Grand Knight, Francis Catonio, Blairmore; Deputy Grand Knight, Morden McNeill, Hillcrest; Financial Secretary, John Albizzati, of Blairmore; Recorder, Eric Price, Blairmore; Advocate, John Yanota, Blairmore. Warden, Archie Hobson, Blairmore; Chancellor, Tino Catonio, Blairmore; Treasurer, John Sikora, Coleman; Inside Guard, John Kinnear, Coleman; Outside Guard, Ray Wallinder, Hillcrest; Trustees, Les Owen and Trevor Collier, of Coleman, and John Lloyd, Blairmore.

The Chaplain and Lecturer will be appointed by the new Grand Knight.

Lecturer Father Tessier, gave a short talk on the new Catechisms which are being introduced for use in the Calgary Diocese. They have been modernized and brought up to date.
